A cause and effect essay looks at the reasons (or causes) for something, then discusses the results (or effects). For this reason, cause and effect essays are sometimes referred to as reason and result essays. They are one of the most common forms of organisation in academic writing. Sometimes the whole essay will be cause and effect, though sometimes this may be only part of the whole essay. It is also possible, especially for short exam essays, that only the causes or the effects, not both ...
