Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades. This phenomenon has been far from uniform, however, and the considerable attention that the more successful right-wing extremist parties have received has sometimes obscured the fact that ...

The Extreme Right in Western Europe - Hardcover ...

Parties of the extreme right are to some extent 'masters of their own success'. That is, regardless of the political environment in which they operate and regardless of the institutional contexts within which they find themselves, their electoral success will depend, in part, on the ideology they espouse and the policies they put forward ...

The Extreme Right in Western Europe: Success or failure ...

For a country to operate properly, there needs to be balance between left and right wing political views. Without the left wing, there wouldn't be equality or human rights for many of those living in these countries while without the right wing, our militaries would be weaker and lose a lot of support and we would have a much lower employment ...
